NEWSLETTER

Ceasing JobKeeper 1.0

The first instance of JobKeeper will cease on the 27th of September 2020. It is vital that you action the following on 28th of September if you are registered in the JobKeeper program, regardless of your intention to register for JobKeeper 2.0.

To Do

- Cease topping up employees to the JobKeeper weekly gross amount of \$750.
- Inform your employees they are no longer going to have their wage subsidised under JobKeeper 1.0
- Sign your final Monthly Declaration if Carnegie are lodging for you.

Starting JobKeeper 2.0

To qualify for JobKeeper 2.0, you must have a decline in sales of 30% when comparing the September quarter with the period last year. This must be done on the same basis you lodge BAS.

To Do

- Entities will need to requalify and reregister for JobKeeper 2.0. Please contact bookkeeping@carnegie.com.au by the 26th of September if you would like us to test your eligibility.
- Each employee must be tested for which level of JobKeeper they will receive.
- If you have a payrun scheduled for the dates between 28th September and 5th October, please note the date on your email so we can expedite your eligibility testing.
